Hey Carolyn...told bidding for those new Anna pix from Getty up to \$500,000 with the mags already!
Wish they were mine!!

Just need to clarify a couple of things.

1) The memorial service: if you do want to have exclusive coverage inside the church, we're going to need a firm commitment pretty soon. We haven't even mentioned it to any of the other shows yet but we will need to do so very early next week as the details will come out in the local press and there's been mention of it from Virgie in your interviews.

2) She'll go to Bahamas if you want but doesn't want to 'gatecrash' the funeral, which we still believe to be on Monday at this stage. She would like to visit the grave and it would make pretty emotive pix of her doing so but the longer the week goes on the more difficult it's going to be for her because of the arrangements she's making for her service.

* I do, of course, appreciate that you can't make any plans until we know for sure when the service in the Bahamas is.

3) The niece who took the ranting phone call from Howard K. Stern saying 'you or your family will never see Vickie again' is prepared to do a piece to camera. It's real 'family at war' stuff now.....If it's not one for you can you let me know as we'll try and place it elsewhere.

Let me know. Sure there's going to be many more twists and turns before this one is over.

Have a good weekend if we don't speak.

David

Hey Carolyn.. how goes it?

Virgie did an interview with Nancy Grace - didn't enjoy it at all! It was done in a van (or whatever you TV people call it) outside her home and she said she couldn't hear properly and wished she hadn't done it. Now she's possibly going to do a Heraldo interview on Monday....she's keen to keep the story being talked about.

No great developments otherwise. Will let you know if anything changes.
